

## 2008 Membership Drive

Dear Bow Tree Resident,

Thank you for making our 2007 Membership drive a success. The membership drive benefits all of us – landscaping and maintenance of our entrances, maintaining open space, Block Party, directories, newsletters, and all the various holiday activities – it is the money that is received that help pay for these activities and make us a community.

We are once again asking for all residents to renew their membership for 2008. The 2008 Membership fee is \$45.00. This minimal fee will help us continue with our current traditions and expand our offerings of new activities for the future.

Please complete the form and send your dues to the address below. This will allow you to, among other things, be in the Bow Tree Directory and attend the Block Party in September. Thank you for your continued support!
