Block Party:

On Saturday September 17th approximately 200 neighbors joined together for an afternoon of fun. All were able to grab a bite to eat and catch up

with their fellow Bow Tree neighbors. The kids enjoyed jumping on the moon bounces and dancing to the music that the DJ was playing. A big

thank you to all the volunteers and our Beaumont Drive neighbors that put together the party. As well as those helped clean up afterwards.

Bow Tree Run:

As expected, Sunday October 16th was a beautiful day for the Bow Tree Run. We had more runners

then ever before this year. We were able to raise money for the police, fire and ambulance companies as well as the civic asso-

ciation. We would like to thank all the runners and volunteers that helped to make the day such a success.

Halloween Parade:

Let it snow, let it snow, let it snow"....despite the unexpected early snow fall our Annual Bow Tree Halloween Parade went off without a hitch. Happy goblins and ghouls

showed up to the Halligan's home ready to for some old fashioned Halloween fun. The children paraded down Scofield Lane this year and then played games, ate some yummy

treats and each took home a beautiful pumpkin. Thank you to all who made the event possible by volunteering their time and talents!

Hayride:

The Bow Tree Hay Ride was held Saturday, November 5th at Sugartown Strawberries. It was a

beautiful night as 24 of your neighbors enjoyed great weather, a fun hayride and a toasty bonfire. Special thanks to mem-

bers of the band Not Quitting Our Day Jobs for providing the entertainment. A sure not-to-miss event for 2012!

Entrance signs:

We need your help! As you probably have noticed by now, our Bow Tree entrance signs were stolen a few months ago. The sign at the middle entrance was less than a month old. The BTCA board has been working with the police to try and locate the missing signs along with the thieves that stole them. At this

point we have not had any luck. We would like to replace these signs. We would replace them with signs that would be much harder to take down. Of course that means more expensive signs. The low end cost to replace these signs will be approximately \$3,000. The board has funds to cover much of this cost. In addition the proceeds

from this years Bow Tree Run can be put towards new signs. It may take another year until we have sufficient funds to replace them all. What we could use from our neighbors are your ideas on replacing the signs. Please email us at killinger.matt@gmail.com with your thoughts and suggestions.

Upcoming Bow tree Civic Association Events
